### 2. 2023 Operation Plan

(1) 2024 Major Business Direction

In 2023, with the continued expansion of COVID-19 vaccine coverage, the epidemic was further controlled. Most countries have implemented the strategy of coexistence with the virus, gradually easing border control and lockdown measures. This was originally expected to gradually recover the global economy. However, global inflation caused by the Ukrainian-Russian war, the Israeli-Hamas war, and the Suez Canal crisis led to a decline in consumption power. Central banks around the world were forced to raise interest rates to strengthen the fight against inflation. In addition, the U.S. began to implement chip control measures against China. Under the above influences, the revenue and growth rate of the global semiconductor market in 2023 will be affected. Semiconductor-related organizations will predict a growth rate of semiconductors in 2024 compared to 2023. Sigurd has formulated a prudent operational growth strategy, adopting a stable development policy to maximize the Company profit. In 2024, due to the endeavor the engagement, sufficient cash flow was secure to ensure the liquidity of the Company. #### INDEPENDENT AUDITORS' REPORT TRANSLATED FROM CHINESE

PWCR23000389

To the Board of Directors and Shareholders of Sigurd Microelectronics Corporation

#### **Opinion**

We have audited the accompanying consolidated balance sheets of Sigurd Microelectronics Corporation and subsidiaries (the "Sigurd Group") as at December 31, 2023 and 2022, and the related consolidated statements of comprehensive income, of changes in equity and of cash flows for the years then ended, and notes to consolidated financial statements, including a summary of significant accounting policies.

In our opinion, based on our audits and the reports of other independent auditors (please refer to the *Other matters* section), the accompanying consolidated financial statements present fairly, in all material respects, the financial position of Sigurd Group as at December 31, 2023 and 2022, and its consolidated financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations that came into effect as endorsed by the Financial Supervisory Commission.

## Basis for opinion

We conducted our audits in accordance with the Regulations Governing Financial Statements Audit and Attestation Engagements of Certified Public Accountants and the Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the consolidated* 

financial statements section of our report. We are independent of the Sigurd Group in accordance with the Norm of Professional Ethics for Certified Public Accountants in the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. Based on our audits and the reports of other independent auditors, we believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Key audit matter

Key audit matters are the matters that, in our professional judgement, were of most significance in our audit of consolidated financial statements of the current period. This matter was addressed in the context of our audit of consolidated financial statements as a whole and, in forming our opinion thereon, we do not provide a separate opinion on this matter.

Key audit matter for Sigurd Group's consolidated financial statements of the current period is stated as follows:

## Capitalisation of property, plant and equipment

#### Description

Sigurd Group increased its capital expenditure to meet its operational needs. Please refer to Note 4(15) for accounting policies on property, plant and equipment, and Note 6(7) for details of property, plant and equipment. Considering that capitalisation of property, plant and equipment is significant to Sigurd Group's consolidated financial statements, thus, we identified the audit of capitalisation of property, plant and equipment as a key audit matter.

#### How our audit addressed the matter

We performed the following audit procedures in respect of the above key audit matter: Assessed and validated the effectiveness of the internal control system over additions to property, plant and equipment, as well as sample tested and examined respective purchase orders and invoices to ensure that transactions were approved accordingly and recognised amounts were accurate. Sample tested and examined the acceptance documents to validate the appropriateness of the timing that assets are ready for use and capitalisation (timing of starting depreciation).

#### Other matter - Audited by other independent auditors

We did not audit the financial statements of certain consolidated subsidiaries. Those financial statements were audited by other independent auditors, whose reports thereon have been furnished to us, and our opinion expressed herein, insofar as it relates to the amounts included in the consolidated financial statements, was based solely on the reports of other independent auditors. Total assets of those consolidated subsidiaries amounted to NT\$317,506 thousand and NT\$307,194 thousand, constituting 0.85% and 0.82% of the consolidated total assets as at December 31, 2023 and 2022, respectively, and total operating revenues amounted to NT\$276,681 thousand and NT\$254,340 thousand, constituting 1.79% and 1.36% of the total operating revenues for the years ended December 31, 2023 and 2022, respectively.

#### Other matter - Parent company only financial statements

We have also expressed an unqualified opinion on the parent company only financial statements of Sigurd Microelectronics Corporation as of and for the years ended December 31, 2023 and 2022.

# Responsibilities of management and those charged with governance for consolidated financial statements

Management is responsible for the preparation and fair presentation of consolidated financial statements in accordance with the "Regulations Governing the Preparation of Financial Reports by Securities Issuers" and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations that came into effect as endorsed by the Financial Supervisory Commission, and for such internal controls as the management determines are necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Sigurd Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Sigurd Group or to cease operations, or have no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Sigurd Group's financial reporting process.

# Auditor's responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgement and professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- 2. Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Sigurd Group's internal controls.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Sigurd

Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our report. However, future events or conditions may cause the Sigurd Group to cease to continue as a going concern.

- 5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Sigurd Group to express an opinion on consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From those matters communicated with those charged with governance, we determine the matter that was of most significance in the audit of the consolidated financial statements of the current period and is therefore the key audit matter. We describe the matter in our report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### INDEPENDENT AUDITORS' REPORT TRANSLATED FROM CHINESE

PWCR23000390

To the Board of Directors and Shareholders of Sigurd Microelectronics Corporation

#### **Opinion**

We have audited the parent company only balance sheets of Sigurd Microelectronics Corporation (the "Company") as at December 31, 2023 and 2022, and the related parent company only statements of comprehensive income, of changes in equity and of cash flows for the years then ended, and notes to the parent company only financial statements, including a summary of significant accounting policies.

In our opinion, based on our audits and the reports of other independent auditors (please refer to the *Other matter* section) of our report, the accompanying parent company only financial statements present fairly, in all material respects, the financial position of Sigurd Microelectronics Corporation as at December 31, 2023 and 2022, and its financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

#### Basis for opinion

We conducted our audits in accordance with the Regulations Governing Financial Statements Audit and Attestation Engagements of Certified Public Accountants and the Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the parent company only financial statements* section of our report. We are independent of the Company in accordance with the Norm of Professional Ethics for Certified Public Accountants in the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. Based on our audits and the reports of other independent auditors,

we believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Key audit matter

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the parent company only financial statements of the current period. This matter was addressed in the context of our audit of the parent company only financial statements as a whole and, in forming our opinion thereon, we do not provide a separate opinion on this matter.

Key audit matter of the Company's parent company only financial statements of the current period is stated as follows:

### Capitalisation of property, plant and equipment

## Description

The Company increased the capital expenditure to meet its operational needs. Please refer to Note 4(14) for accounting policies on property, plant and equipment, and Note 6(8) for details of property, plant and equipment. Considering capitalisation of property, plant and equipment is significant to the Company's parent company only financial statements, thus, we identified the audit of capitalisation of property, plant and equipment as a key audit matter.

#### How our audit addressed the matter

We performed the following audit procedures in respect of the above key audit matter: Assessed and validated the effectiveness of the internal control system over additions to property, plant and equipment, as well as sample tested and examined respective purchase orders and invoices to ensure that transactions were approved accordingly and recognised amounts were accurate. Sample tested and examined the acceptance documents to validate the appropriateness of the timing that assets are ready for use and capitalisation (timing of starting depreciation).

# Other matter - Audited by other independent auditors

We did not audit the 2023 and 2022 financial statements of certain investee companies accounted for using the equity method. Those financial statements were audited by other independent auditors whose reports thereon have been furnished to us, and our opinion expressed herein is based solely on the reports of other independent auditors. Investments accounted for using equity method amounted to NT\$44,125 thousand and NT\$67,043 thousand, constituting 0.15% and 0.23% of total assets, as at December 31, 2023 and 2022, respectively, and their comprehensive income (loss) amounted to NT(\$22,918) thousand and NT(\$24,967) thousand, constituting (1.01%) and (0.90%) of the total comprehensive income (loss) for the years ended December 31, 2023 and 2022, respectively.

# Responsibilities of management and those charged with governance for the parent company only financial statements

Management is responsible for the preparation and fair presentation of the parent company only financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and for such internal controls as the management determines are necessary to enable the preparation of parent company only financial statements that are free from material misstatement, whether due to fraud or error. In preparing the parent company only financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or have

no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Company's financial reporting process.

### Auditor's responsibilities for the audit of the parent company only financial statements

Our objectives are to obtain reasonable assurance about whether the parent company only financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these parent company only financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgement and professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the parent company only
  financial statements, whether due to fraud or error, design and perform audit
  procedures responsive to those risks, and obtain audit evidence that is sufficient and
  appropriate to provide a basis for our opinion. The risk of not detecting a material
  misstatement resulting from fraud is higher than for one resulting from error, as fraud
  may involve collusion, forgery, intentional omissions, misrepresentations, or the
  override of internal controls.
- 2. Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of

- expressing an opinion on the effectiveness of the Company's internal controls.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our report to the related disclosures in the parent company only financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the parent company only financial statements, including the disclosures, and whether the parent company only financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the parent company only financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From those matters communicated with those charged with governance, we determine the matter that was of most significance in the audit of the parent company only financial statements of the current period and is therefore the key audit matter. We describe the matter in our report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
